FROM DR. MARY LOU:

Welcome to the Children's Gospel Box Ministry! You, your church and your children can, in a very tangible way, help us reach the nations for Christ.

Because of the Gospel Box, literally thousands of children have come to know Christ through the evangelism and training resources we have sent to children's workers around the world.

Many of these workers may have only a Bible to teach the children. They lack even the most basic materials to effectively reach out to kids, and then disciple them in the faith. I wish you could see the look on the faces of the leaders

when they receive our Gospel Box materials! You, too, can be a vital part of this ministry by helping equip children's workers around the world with the tools they need – always for free!

Let's do it for the kids,

Mary Lou

The Children's GOSPEL BOX

The Children's Gospel Box (C-G Box) ministry was born out of the huge need for children's materials and training around the world. In many developing countries, children are either ignored or considered less important than adults. Some cultures even believe that children cannot find Christ.

The C-G Box is a literal box that includes everything a church would need to either begin a Sunday School ministry or improve an existing one.

It also is designed to promote and stimulate child evangelism and discipleship.

How the Box works

Each box contains materials such as the video of the JESUS film for children, Sunday School curriculum and materials, flannel Bible story cutouts, puppets and, of course, tracts and booklets.

Before a children's worker is given one of these boxes to take back to

their village or town, they must complete rigorous training. Teams of seasoned children leaders lead the training sessions that include an actual children's crusade.

Join the C-G Box team!

The C-G Box ministry is a true team effort. Here are some of the ways we work together.

1. Foursquare Missions Press prints the materials, mobilizes volunteers and provides the overall leadership and training.
2. Local U.S. Foursquare churches make puppets, wooden easels and assemble teaching materials for packing.
3. Children and adult groups raise funds with their C-G Box loose change boxes (every Box, which costs \$175 and can reach 750 children, is sponsored by children in the U.S.).
4. Families pray together for our teams, training and the many unchurched kids.
5. Our Foursquare missionaries assist us to find the greatest need and have the most impact.
6. U.S. churches send teams of children's workers and join with indigenous National Leaders to serve and train their workers.
7. Indigenous workers who are

trained by U.S. teams go back to their cities, towns or villages to do child evangelism and Sunday School.

All gifts to the C-G Box (made payable to Foursquare Missions Press) are credited towards denominational missions giving (and ICFG retirement fund where applicable).
