

The Ministry of Jesus

HISTORY© Stories 30-34

- Read stories 30-34 for students
- Introduce new vocabulary
- Comprehension strategy:** Complete a K-W-L chart with the students. Have students list what they Know about Jesus' ministry. Then have students list questions of what they Want to know. After you have studied the stories, have the students list what they Learned.
- Math:** When Jesus fed the five thousand, if every person received 2 loaves and 1 fish, how many would there be all together? If every one of the five thousand were men and every man had to divide his 2 loaves and 1 fish with a wife and 2 children. How much would each person have to eat?
- Science:** In story 30, a sick man's friends brought him to Jesus to be healed, but the home was so crowded that they had to lower him through the roof. What kind of simple machines could you put together to lower one of your friends into a room?
